

GENERAL TERMS & CONDITIONS (Ed. 2025)

Once entered the complex managed by ORIO PARKING by Airportaxi & Parking S.r.l.s., hereinafter referred to for brevity only ORIO PARKING, located in Seriate, to the civ. nr.11a of the Via Grinetta, and having read the places where the vehicles (motor vehicles, motorcycles etc.) are parked as well as other system and / or device installed in the complex, the parking and storage of the vehicle at the parking lot managed by ORIO PARKING, involves the conclusion of the contract under the following conditions:

- 1) The object of the contract is the deposit of the vehicle only, with express and absolute exclusion of any goods, personal effects, apparatus, device etc. left by the customer or in any case present inside the vehicle and / or external containers to the same even if closed and equipped with a lock (eg money and values in general, satellite navigators, mobile phones, laptops, cameras, luggage racks, ski racks etc.).
The customer is therefore expressly required to remove the above goods from the vehicle or request free custody from ORIO PARKING, providing in advance a detailed written indication of the goods, and / or effects, object of this specific custody.
In the absence of removal of the goods from the vehicle or request in specific custody of the same, ORIO PARKING, declines all responsibility for theft, damage, deterioration and / or alteration of the goods in question.
Except for the fuel already present in the vehicle tank, the customer is also obliged to export from the vehicle itself any good, object and / or material likely to give rise to explosions, fires, pollution, contamination or in any case to dangers of damage to the safety of people and / or things.
- 2) On our website you can book parking in the following ways:
 - a) Booking with **payment in the parking lot**: by choosing this option the payment can be made in cash, debit or credit card (we do not accept Amex and Diners); if the payment is not made, the driver of the vehicle is obliged to leave the complex managed by the ORIO PARKING, penalty, failing that, the application of a penalty equal to twice the daily fee applied by the structure, and in any case made firm and without prejudice, the right of the latter to compensation for any greater damage.
 - b) Reservation with **prepayment**: by choosing this option you can pay by credit or prepaid card (Visa, Visa Electron, Mastercard). Payment is made through a virtual POS in secure mode with irreversible 128-bit encryption. By means of this method, the transaction takes place exclusively in the banking sector and ORIO PARKING has no access to sensitive payment data. In no case will it be possible to refund, even in part, the amount of a reservation with online payment, where the request for compensation has been received after the date of entry or if the same reservation is canceled 48 working hours prior to the time of entry into the booked area. In the event that the above conditions are met, the amount paid for the reservation will be refunded by deducting the administrative and accounting costs, equal to 5% of the amount to be compensated, with a minimum of € 5.00.
- 3) The customer who intends to request the issuance of the invoice must make an express request before issuing the receipt or at the time of booking in the case of online payment, providing all the data and indications required by current tax regulations.
- 4) The application of any "discount coupons" distributed and / or disseminated on the site www.orioparking.com by ORIO PARKING, remains suspended during high season, as well as any agreements stipulated with the same. The use of these vouchers is only possible for reservations made on our website and with payment in the parking lot (no online payment).
- 5) The collection of the vehicle, in advance of the time and / or the final date of the parking period indicated in the booking form or declared by the customer at the time of entry into the ORIO PARKING complex, will not entitle you to any refund of the fee for the days not used; the customer

GENERAL TERMS & CONDITIONS (Ed. 2025)

is required to notify the ORIO PARKING, by written communication sent by e-mail to assistenza@orioparking.it or by calling +39 035534010 at least 24 hours before the date of early return, indicating the name, key number assigned to the car and previous and actual date of return. In the absence of notice, the collection of the vehicle cannot be made before 90 minutes from the presentation of the customer at the complex managed by ORIO PARKING, and will result in the application of an additional fee of € 50.00 (over VAT) for the unexpected internal movement of the vehicles compared to the scheduled collection of the same. In the event that the vehicle is collected by the customer after 24.00 on the final day of parking indicated in the booking form or declared by the customer at the time of entry into the complex managed by ORIO PARKING, the daily rate will be applied for each day of delay with effect from the first day of delay as per the price list displayed by ORIO PARKING, in proportion to the amount of days. (€ 6.00 per day for outdoor parking, € 8.00 per day for covered parking).

- 6) ORIO PARKING is not responsible for key rings to which the keys and/or devices for opening the distance of the vehicles and/or anti-theft devices are attached. In the event that these key rings have a value of more than € 10.00, the customer is required to remove the keys and / or the remote opening device of the vehicle and to deliver them to the ORIO PARKING staff, keeping the key ring with him. In the absence of such removal, ORIO PARKING is not liable in any way for the loss, theft and / or damage of the key ring.
- 7) While the delivery and collection of vehicles will take place only in the areas intended for this, the vehicles will be driven in the covered or uncovered parking areas and subsequently moved there also in other warehouses assigned to the ORIO PARKING, only and exclusively by the ORIO PARKING staff, to whom the keys and / or the starting and / or opening and / or anti-theft devices of the vehicles will therefore be delivered. Please note that during periods of high turnout, especially in high season, cars will be hospitalized in other parking lots and / or deposits regularly assigned to the ORIO PARKING, both for outdoor parking and for covered parking.
- 8) Meanwhile, covered parking must be understood as buildings, canopies, structures with coverage and / or anti-hail nets (even if open on the sides), ORIO PARKING, will shelter the vehicle in the covered parking (where booked by the customer) within six hours before delivery by the customer and the removal of the same from the covered parking three hours before the scheduled pick-up time. In these time slots the vehicles will be temporarily parked in uncovered areas, with exemption from the ORIO PARKING, from any and all liability for damage occurred to the vehicles as a result of weather phenomena occurred during the aforementioned time slots.
- 9) When depositing the vehicle at the complex managed by ORIO PARKING, the customer is required to draw up the adversarial procedure with the receptionist and to sign the form relating to the condition of the vehicle. Failing this, ORIO PARKING reserves the right to reject any complaints for damages, deterioration and / or similar raised by the customer, without prejudice in any case to the fact that such disputes must be raised, under penalty of forfeiture, only in writing at the time of collection of the vehicle.
- 10) Meanwhile, ORIO PARKING is not liable for damage to windshields, windows, rear-view mirrors and / or rear-view mirrors occurred as a result of temperature variations (positive or negative), and / or adverse weather conditions; any dispute about any damage and / or deterioration of the vehicle and / or its components must be raised only and exclusively in writing and at the time of withdrawal, under penalty of forfeiture of any and all rights of the customer.
- 11) ORIO PARKING is exempted and in any case declines any and all responsibility for damage occurred to vehicles and caused by other customers during the operations of entry and / or exit from the complex, from meteorological events of above average intensity, from floods, from seismic events and / or vandalism perpetrated by a plurality of subjects.
